

How to find us

By Road

From M25:

Take either the A3 Guildford then the A31 to Farnham, or the M3 then the A331 South, picking up the A31 to Farnham. On approaching the large Farnham roundabout (Shepherd & Flock roundabout) stay in the right hand lane and continue straight on, taking the 2nd exit for Farnham Town Centre. Take the first left hand turn and carry straight on into Bourne Mill Business Park, we are on the right.

From A287:

Enter Farnham via Castle Street. Turn left into the one way system. Move into the left hand lane and follow the one way system around to the left. Keep in the left hand lane so that you keep going straight. Go past the Jaguar garage and again stay in the left hand lane to carry on straight down the road. Once you have passed Carpet Right, move into the right hand lane in order to turn right at the traffic lights just in front of The Albion pub. Once you have passed Farnham Retail Park, Bourne Mill Business Park is the next right hand turn and we are the end unit on the right.

From Alton (A31):

Stay on Farnham By-Pass. Take the first exit off the Shepherd & Flock roundabout, then take the first left and carry straight on into Bourne Mill Business Park. We are the end unit on the right.

By Rail

Our offices are 1 mile from Farnham Railway Station. Farnham is approximately 50 minutes from London Waterloo and there are regular services (ranging from half hourly to hourly).
